

# INTMET Clustering Conference “Fostering Innovation in the Iberian Pyrite Belt”

## Meeting AGENDA

**Date:** January 23<sup>rd</sup> 2019

**Time:** 9:00 - 17:30

**Venue:** Consulado General de Portugal, Avenida El Cid, 1, 41004 Seville, Spain

**Attendees:** EU Projects: INTMET, FAME, INFACIT, MIREU, REMIX and other projects  
Mining companies and institutions related to Iberian Pyrite Belt

**Organising Institution:** Cobre Las Cruces, Coordinator of EU INTMET Project, Grant number 689515

**Co-organisation and supporting:** AMINER (Spain), MINERAL RESOURCES CLUSTER (Portugal)

**Aims:** Fostering technological innovation in the Iberian Pyrite Belt mining region  
Promoting sustainable exploitation of complex and polymetallic ores  
Well-aligned with EU Raw Materials programme and policy

## PROGRAMME

---

### 1. Welcome and introduction (09:00-09:15).

*Iain Anderson, Cobre Las Cruces General Manager; Joao Queirós, Consul of Portugal in Seville.*

### 2. Key notes from Administrations (09:15-10:15).

Key notes from EU representative: EU Raw Materials political context

*Daniel Cios, Policy Assistant, Resource Efficiency and Raw Materials Unit, European Commission.*

Key notes from EU representative: Raw Materials sector in Horizon-2020 and future Horizon-Europe

*Marcin Sadowski, Head of Sector Raw Materials, European Commission.*

Key notes from Alentejo representative: Importance of mining business for Alentejo, Portugal

*Jorge Pulido Valente, Vice-Presidente da CCDR Alentejo.*

Key notes from Junta de Andalucía representative: Importance of mining business for Andalucía, Spain

*Natalia González Hereza, Directora General de Industria, Energía y Minas, Junta de Andalucía.*

# INTMET Clustering Conference “Fostering Innovation in the Iberian Pyrite Belt”

### 3. Key notes from Industries (10:15-10:45).

Key notes from AMINER representative: Opportunities and risks for mining business in the Iberian Pyrite Belt, Spanish territory

**Manuel José García**, *Vocal de AMINER.*

Key notes from Mineral Resources Cluster representative: Opportunities and risks for mining business in the Iberian Pyrite Belt, Portuguese territory

**Luís Martins**, *Presidente do Conselho de Administração, Mineral Resources Cluster.*

### 4. Networking coffee (10:45-11:15). Visit to Posters area.

### 5. EU projects fit for clustering (11:15-13:15).

Contributions from EU Projects: INTMET, FAME, INFACIT, MIREU

- INTMET (**Francisco Sánchez**, *Cobre Las Cruces*)
- FAME (**Marco Roscher**, *Saxore Bergbau GmbH*)
- INFACIT (**Petya Atanasova**, *HZDR*)
- MIREU, REMIX (**Wolfgang Reimer**, *GKZ Freiberg eV*)

### 6. Networking lunch (13:15-14:15). Visit to Posters area.

### 7. Roundtable: Mining companies from Iberian Pyrite Belt (14:15-15:45).

Innovations in current operations and new projects

- Almina (Portugal)
- Atalaya Mining (Spain)
- Cobre Las Cruces (Spain)
- Mina Aguas Teñidas (Spain)
- Minera Los Frailes (Spain)
- Somincor (Portugal)

**Speakers to be defined.**

### 8. Networking coffee (15:45-16:15). Visit to Posters area.

# INTMET Clustering Conference “Fostering Innovation in the Iberian Pyrite Belt”

## 9. Roundtable: EU Projects clustering focused on potential applications (16:15-17:15).

Opportunities to apply and exploit developed technologies in the Iberian Pyrite Belt mining region

- INTMET (**Carlos Frías**, *Cobre Las Cruces*)
- FAME (**Marco Roscher**, *Saxore Bergbau GmbH*)
- INFAC (**Petya Atanasova**, *HZDR*)
- MIREU, REMIX (**Wolfgang Reimer**, *GKZ Freiberg eV*)

## 10. Final remarks (17:15-17:30).

Follow up. Fields of interest and synergies for further cooperation.

**Carlos Frías**, INTMET Project Coordinator

## Posters Session:

Several EU Projects (Raw Materials area) will present a Poster summarising the results of their activities.

## Appendix:

INTMET Flyer
